

Energy and Water Efficiency Incentives for San Francisco Homeowners

Component	Incentive	Notes	Type	Website	Phone
Site & Landscape					
salvaged materials	tax write off	for donation of materials to non-profit organization	O	www.redo.org	(415) 588-3625
pool pump and motor	up to \$100	for replacement of lower efficiency components	R	www.pge.com/res/rebates	(800) 933-9555
Building Envelope					
Residential New Construction	varies	performance and prescriptive options for <i>builders</i>	R	www.pge.com/biz/rebates	(800) 342-7737
windows & skylights	up to \$200	for efficient window and skylight upgrades	T	www.energytaxincentives.org/tiap-consumers.html	(800) dial-DOE
exterior doors	up to \$500	for upgrading doors to IECC requirements	T	www.energytaxincentives.org/tiap-consumers.html	(800) dial-DOE
insulation	up to \$500	for upgrading insulation to IECC requirements	T	www.energytaxincentives.org/tiap-consumers.html	(800) dial-DOE
	\$0.15/sq.ft	for installation of new attic or wall insulation in existing home	R	www.pge.com/res/rebates	(800) 933-9555
building shell sealing	up to \$500	for sealing cracks and penetrations to IECC requirements	T	www.energytaxincentives.org/tiap-consumers.html	(800) dial-DOE
weatherization and repairs	free	low-income customers only	S	www.pge.com/res/financial_assistance/energy_partners/index.html	(800) 933-9555
HVAC & Plumbing					
furnace	up to \$300	ENERGY STAR® qualified central natural gas furnaces	R	www.pge.com/res/rebates	(800) 933-9555
	\$150	gas, oil, or propane furnaces, AFUE 95 or above	T	www.energytaxincentives.org/tiap-consumers.html	(800) dial-DOE
duct sealing	up to \$500	for bringing up to IECC requirements	T	www.energytaxincentives.org/tiap-consumers.html	(800) dial-DOE
boiler	\$150	gas, oil, or propane boilers, AFUE 95 or above	T	www.energytaxincentives.org/tiap-consumers.html	(800) dial-DOE
water heater	\$300	efficient gas or propane (tankless, combo, or heat pump)	T	www.energytaxincentives.org/tiap-consumers.html	(800) dial-DOE
	\$30	efficient gas or electric storage types	R	www.pge.com/res/rebates	(800) 933-9555
heat pump	\$300	efficient air-source or ground-source	T	www.energytaxincentives.org/tiap-consumers.html	(800) dial-DOE
air conditioner	up to \$300	high-efficiency central air conditioning units	T	www.energytaxincentives.org/tiap-consumers.html	(866) 403-2683
	\$50	ENERGY STAR qualified portable or window room A/C	R	www.pge.com/res/rebates	(800) 933-9555
fans for handling system	\$50	must use no more than 2% of total heating system energy use	T	www.energytaxincentives.org/tiap-consumers.html	(800) dial-DOE
whole house fan	\$100/fan	no limit to number of installations	R	www.pge.com/res/rebates	(800) 933-9555
evaporative cooling system	up to \$600		R	www.pge.com/res/rebates	(800) 933-9555
toilets	up to \$125	for replacement of minimum 3.5 gpf toilet with qualifying model	R*	www.sfwater.org/msc_main.cfm/MC_ID/16/MSD_ID/171	(415) 551-4730
Water-Wise House Call	FREE	on-site water use surveys & conservation devices	S*	http://sfwater.org/detail.cfm/MC_ID/16/MSD_ID/173/C_ID/2260	(415) 551-4730
Appliances & Lighting					
clothes washer	up to \$150	for high efficiency clothes washer (one time only)	R*	www.conservationrebates.com/programs/wat/Index.htm	(415) 551-4730
	up to \$75	for high efficiency clothes washer	R	www.pge.com/res/rebates	(800) 933-9555
refrigerator recycling	\$35	for replacement of working unit with new ENERGYSTAR model	R	www.jacoinc.net/weborder/ProgselZip.aspx	(800) 299-7573
dishwasher	up to \$50	for high efficiency dishwashers	R	www.pge.com/res/rebates	(800) 933-9555
lamps and fixtures	\$1-\$10/unit	rebate amount reflected in sales price of qualifying products	R	www.pge.com/res/rebates	(800) 933-9555
Renewable Energy					
photovoltaic (PV) solar electric	\$2.50/watt	for existing homes and other properties (CPUC)	R	www.gosolarcalifornia.ca.gov	(800) 743-8300
	\$2.50/watt	for <i>builders</i> of new homes (CEC)	R	www.gosolarcalifornia.ca.gov	(800) 555-7794
	up to \$2,000		T	www.energytaxincentives.org/consumers	(877) 337-3463
solar water heating	up to \$2,000	must cover at least 50% of energy needs; not for pools	T	www.energytaxincentives.org/tiap-consumers.html	(877) 337-3463
wind	\$2.50/watt	for first 7.5kW, then \$1.50/watt up to 30kW	R	www.consumerenergycenter.org/erprebate/program.html	(800) 555-7794
Tools & Financing					
energy efficient mortgages	varies	for purchase or refinancing of new or existing homes	O	www.resnet.us/ratings/mortgages	(760) 806-3448
Home Energy Saver	FREE	do-it-yourself energy audit tool	S	hes.lbl.gov	-
SmartEnergy Analyzer	free	take this survey & learn ways to lower your monthly bill	S	www.pge.com/res/rebates/energy_tools_resources	(800) 933-9555
Energy Saving Calculators	free	evaluate the energy costs & potential savings of household items	S	www.pge.com/res/rebates/energy_tools_resources	(800) 933-9555

IECC = International Energy Conservation Code

AFUE = Annual Fuel Utilization Efficiency

Key:

R = Rebate

T = Tax credit (subject to \$500 maximum per home for all improvements combined, NOT INCLUDING renewable energy incentives)

S = Service

O = Other
